ErrorLog: GroupAssingment

Youdis

```java
1    package Mastery;
2
3    import java.util.Scanner;
4
5    public class GroupAssignment {
6
7        public static void main(String[] args) {
8            // TODO Auto-generated method stub
9            //getting ready to record inputs
10           Scanner Input = new Scanner(System.in);
11           //declaring variables
12           String lastName;
13           char Intial;
14
15           System.out.print("Enter your first name: ");
16           Input.next();
17           System.out.print("Enter your first name: ");
18           lastName = Input.next();
19           Intial = lastName.charAt(0);
20           System.out.print(Intial);
21
22       }
23
24
```

Problems   @ Javadoc   Declaration   Console ×   Git Staging

```
erminated> GroupAssignment [Java Application] C:\Program Files\Eclipse\eclipse\plugins\org.eclipse.j
cception in thread "main" java.lang.Error: Unresolved compilation problem:
     Syntax error, insert "}" to complete ClassBody

     at Mastery.GroupAssignment.main(GroupAssignment.java:22)
```

Accidentally deleted curly bracket

```java
1  package Mastery;
2
3  import java.util.Scanner;
4
5  public class GroupAssignment {
6
7⊖     public static void main(String[] args)
8          // TODO Auto-generated method stub
9            //getting ready to record inputs
10          Scanner Input = new Scanner(System
11          //declaring variables
12          String lastName;
13          char Intial;
14
15          System.out.print("Enter your first
16          Input.next();
17          System.out.print("Enter your first
18          lastName = Input.next();
19          Intial = lastName.charAt(0);
20          System.out.print(Intial);
21
22      }
23
24  }
```
